

## REMARKS

Claims 1-19 have been cancelled without prejudice, and claims 20 and 21 were previously allowed. Claim 20 has been amended to correct a typographical error, and claims 22 - 29 have been added to more clearly define the invention. Applicant respectfully requests entry of this amendment. It is submitted that no new matter has been added by this amendment and that this amendment in no way narrows the scope of protection provided by the claim either literally or under the doctrine of equivalents. This action places the application more clearly in a condition for allowance.

Claims 20-29 are currently pending. Applicant thanks the Examiner for the indication that claims 20 and 21 are allowed and Applicant requests action to that end. Applicant further brings to the Examiner's attention that claims 22-29 are dependent on claim 20 and are allowable for at least this reason.

The Examiner is invited to contact the undersigned with any questions or if it would be helpful to the advancement of the present case.

Respectfully Submitted,

By:
